WHAT WE OFFER:

(Please use between 200 and 800 characters)

W. Haldenwanger provides a variety of ceramic products in the supply chain of photovoltaic (PV) solar energy. Our wide range of engineered materials and assemblies provide robust, inert, and thermally stable solutions that allow our customers to achieve their increasingly demanding goals. Our sales and technical support network provides assistance in product design and development through to prototyping and production. Our quality systems ensure adherence to specifications and full traceability.

WHAT WE ARE LOOKING FOR:

(Please use between 200 and 800 characters)

We are looking for further new business and new customers.

THEMATIC FOCUS:

Technical Ceramics

Thermal Processing

Electrical Insulation
